

**Hello, I'm Peter and this is my living room. There are blue curtains on the window. There is a big green carpet on the floor. The yellow lamp is on the small table next to the TV. The cupboard is brown. The sofa is red, the armchair is red too. There are purple flowers in the orange vase, which is on the small black table. There is a big white table next to the sofa. My living room is cool!**
