

- Would you ever choose to be body language expert?
Why?/Why not?
- What gestures do you know and what are their meanings?
- What do people do in different countries to show anger, joy, worry, regret, annoyance?
- Choose any country and make a short presentation (3-5 gestures, postures).

Countries: Russia, GB, USA, France, New Zealand, Italy, India, China, Spain, Greece etc.

Ex: *In Russia* people use the sign of the horns \m/ to show that someone looks cool and successful.
